PRACTICE TEXT

Ernesto is a twelve-year-old boy. He likes to protect things. He plays goalie on his soccer team. He comes up with very complex passwords for the Web sites he visits and forces himself to memorize each one. He never uses the same password twice. He once saved his teacher's reading glasses from hitting the floor. He loves the big safes you can often see inside banks. He is specially protective his younger sister, Maria. She does not always appreciate his protectiveness.
